Shawn,

Thanks for the information about the 5-Year Report and I look forward to seeing the final document. I have the following address and phone numbers for Bud Grisham:

C.C. "Bud" Grisham

Harrison, AR 72602
(870) 365-0525 home
(870) 741-4805 cell

For the sampling, I will have our consultant, Jim Fleer, coordinate with Kent Becher for collecting split samples.

Yes finally got signed after 4 months of undue delay. Will send a copy as soon as I get the pdf copy. By the way I have to send to Bud Grisham. Do you have his number?. will take split sample in next month and send to CLP lab which has comparable detection level.
